Property Description

Former gendarmerie under the revolution, with its 19th century towers, Lapierre Castle looks east on the village and its shops accessible on foot, and west side on the park and its outbuildings. Although "rustic", more than 300 m² can be inhabited. Spread over 3 levels: kitchens, living rooms, 6 bedrooms, bathrooms ... Add to this, approx. 250 m² distributed between old kitchens, guard room, cellar, winter garden and other outbuildings. Organized in C, the various building blocks all overlook the park, wooded and closed. With its alley of ancient trees, a green setting in the center of the village. Beautiful volumes, beautiful high ceilings, beautiful elements ... A very beautiful potential for all people wishing to live in the heart of a village with shops and schools on foot, while leading a professional project related to tourism as an activity of guest room or a gourmet restaurant. VAYRAC is close to the main tourist sites: Curemonte (15 min), Collonges-la-Rouge (20 min), Rocamadour (30 min), the castle of Castelnau near Saint-Céré (20 min), the chasm of Padirac (20 min), the caves of Lacave (30 min), Sarlat (1h), the Montal golf course in Saint-Céré, etc.
