Authentic old Water Mill of c590m² bordered by the river and surrounded by nature, 13 bedrooms, including 5 B&B and 4 Gîtes, 20ha land, including vineyards, olive grove, kitchen garden,...

Property Description

Very beautiful stone building from 14th and 19th centuries, the old Water Mill would function if the irrigation canal is maintained, situated in the middle of the countryside and only 5km to all amenities, in the heart of the very beautiful Minervois Corbières area, Languedoc Roussillon, South France. The main house and the Gîtes are in perfect condition and decorated with taste. The property includes 5 B&B rooms and 4 gîtes, of which 3 are totally independent with exterior access and private terrace. Close to the Water Mill there are several enclosures for animals with outbuildings. On the land there are also 2 ruins suitable for construction of which one is 140m² ideally located right out in the countryside. The river borders the property and offers coolness to this property bathed in light and surrounded by trees. A peaceful place to recharge one's batteries in the country and run a business at the same time. A very good and profitable B&B and gîtes business.
