Property Description

Two great businesses, one fabulous location, and a new life in France!

A stunning period French Farmhouse sympathetically converted retaining many original features, set in a breathtaking location just outside Dinan.

With gardens extending to 3 acres, this wonderful bed and breakfast/gite can accommodate groups of up to 15 people. Alongside the main farmhouse we also have our own 3 bedroomed cottage and 3 gites (self catering holiday lets) all in immaculate order.

Together with our thriving holiday homes, we run a very useful and profitable facility for caravan storage. Many of our clients need to store their caravans here in France in a safe and secure environment, and are delighted with this extra provision. With it's own separate access the storage barns can accommodate 50 caravans.
