Property Description

More than just a simple apartment building, new-build development "Résidence Kalinda" in Tignes is a genuine village in the heart of the l'Espace Killy. MGM has built this Leaseback development in Tignes 1800 to provide you with the best possible accommodation.

Everything is within easy reach : "Résidence Kalinda" is ski-in-ski-out. An 8-seater gondola has been specially installed below the development on the slopes to enable you to reach the Espace Killy in just a few minutes.

Moreover, all the shops and facilities are available: sports shop, bakery, mini supermarket, tourist office and restaurants and the ESF. A rolling carpet and a drag wire have even been installed on the building's snow front to enable mini-skiers and beginners to get a first taste of the joys of snow sports.
