Property Description

The Horizon fleet was born from the partnership between Le Boat, the largest operator of self-drive boating holidays in Europe and Delphia. This association made the creation of the first canal and river cruiser possible. This world class Horizon range is available exclusively through Le Boat's ownership program.

The advantages are:

- A monthly guaranteed income of 7% p.a
- 8 weeks of free holidays in Europe & Canada
- All operational costs included
- The guaranteed buyback of the boat at the end of the program.

This model of 13.50 x 4.25m has two cabins and two bathrooms. It meets all expectations in terms of ease of handling, space, accessibility and on-board features.
