Property Description

Chalet Violets is a 5 bedroom, 2 bathroom chalet of 253m². It was built in 1994 in the sought after area of Chavants in Les Houches. The chalet has been constructed in a traditional style and sits on a plot of 1000m² with magnificent south-east facing views. Our opinion The chalet has been well cared for and has the luxuries of a sauna and a large master bedroom with south-east facing balcony. This is a large chalet for under 1.5m Euros.
