Property Description

A stunning spacious and energy-efficient 3 bedroom contemporary chalet built in 2016. The chalet was designed and built by a renowned local architect to RT2012 standards and has a bright open plan living area with Italian kitchen and lots of storage, as well as the potential to create an additional bedroom. Our opinion A terrific contemporary, stylish chalet which has been well-thought-out and perfectly suits mountain living. It has been finished to an exceptional standard, with lots of design features and energy efficient underfloor heating throughout. With lots of additional space which can be converted to the purchasers taste, it offers tremendous flexible accommodation. This chalet has been designed with a great deal of care and has taken into account all the needs of a family living in the mountains, with fantastic living space, lots of storage, a garage and carport and an easy to maintain garden.
