Property Description

Located in Sainte-Foy-Tarentaise, a village resort nestled into the heart of the Haute Tarentaise. MGM is delighted to present its new high quality residence "Les Fermes d'Eugénie".

This authentic style residence will comprise 48 apartments from 1/2 to 4 bed units (49 to 110 m²) for outright purchase.

The apartments will be styled like old chalets, warm with large surface area to live in, big balconies. There is a natural chemistry between the warmth of the wood, natural materials and the modern finishes. Each apartment comes with a private cellar, an individual ski locker and an underground parking space.

Les Fermes d'Eugénie benefits from an ideal location: close to the slopes and commerce in an intimate and resolutely authentic resort.
