Property Description

NEW TO THE MARKET A bright and spacious triple aspect 2 bedroom apartment on the 4th/top floor with great views. Conveniently located near to shops and restaurants.

Our opinion This well-kept 2 bedroom apartment would be ideal for year-round residents and second-home owners alike. There is plenty of natural light from the triple-aspect floor to ceiling windows, balcony access from the living area and both bedrooms and plenty of storage.

Agency fees Agency fees are included in the price and payable by the vendor.
