Property Description

This beautiful 4 bedroom, 2 bathroom property is a fully restored, stone house with attached barn in a small traditional hamlet. Immaculately maintained, the house has many character features with exposed beams and fireplaces. Double glazing throughout. There is an attached barn and workshop which could offer further renovation potential. The large, secluded gardens to the rear offer lovely views across the surrounding countryside. A picture perfect, well established 2 bedroom gite with Trip Advisor Certificate of Excellence award, sits perfectly in the landscaped garden with its own terrace and bbq area. Tranquil and secluded yet within easy reach of supermarkets, amenities and main roads, this property has it all!
