Property Description

The elegant C18th Chateau is an historic Monument in the heart of a medieval Bastide town in the SW of France, 20 minutes south of Bergerac. It is currently run as a private hotel and ideal for intimate weddings or celebrations, corporate events or as an exclusive luxury bed and breakfast. It was built in 1770 on the footprint of a C13th medieval fortified chateau, and was designed by Louis Victor (famed for the Bordeaux opera house). It offers, stunning high ceilings, spacious sumptuous reception rooms, glorious bedroom suites, a superb spacious kitchen, a separate apartment, an underground gallery and a spring! For either a private residence or a business, as it is now, this is a truly sensational property worthy of exploring!
