## Property Description

This beautiful country property sits in over 5 acres of land with magnificent views of the rolling countryside.

The main house has been renovated with taste, using quality materials and has 5 bedrooms and 4 bathrooms, 2 of which have access to a covered balcony. Adjoining the main house is the little house with its own kitchen and living area and a mezzanine bedroom. There is also a studio/workroom.

Crossing the large terrace, you will find a guest house, again with its own facilities and a bedroom which leads out to another balcony encompassing those wonderful views. The whole property was completely renovated with geothermic heating and all modern comforts provided for. The large grounds have several terraces, open and covered, a large pool area with a summer kitchen, a tennis court, a garage plus acres of lawn and an orchard. The perfect property to welcome an extended family and/or exploit as a rental business.
