## Property Description

Charming stone house, completely renovated, with terrace and swimming pool, located on the riverside, in a quiet area, 10 minutes from the first shops. The house has a very functional equipped kitchen overlooking the terrace, living space overlooking the river, a beautiful living room with wood burner, a laundry room, 2 large bedrooms and an office. Outside, the property has 2 small enclosed shelters for a few tools or bicycles and a private riverside, which will delight fishermen. A heated swimming pool surrounded by an overhanging terrace. A habitable house right away, full of charm, completely finished, located along the river, at the end of the road without being totally isolated, in a quiet, rare environment. A real favorite.
