## Property Description

A fully renovated, 5 bedroom chalet of 280m<sup>2</sup> and a neighbouring 2 bedroom guest house (mazot) of 95m<sup>2</sup> in the exclusive area of Les Bois.

Our opinion: This is a special and unique property with style and character throughout. The mazot provides a private guest area with the same charm as the main chalet. Together they have been designed to sleep 14 but still have ample space to live.

Agency fees are included in the price and payable by the vendor.
