Property Description

NEW TO THE MARKET A very well-presented 4 bedroom, 3 bathroom chalet with additional games room and potential to create a 5th bedroom/office. Ideally located in the quiet Lac des Gaillands area of Chamonix, on the bus and cycle route and just a few minutes drive to town.

Our opinion: This tastefully decorated chalet, built in 2004, is in immaculate condition with a real alpine feel. Cosy in the winter with an attractive fireplace and sunny in the summer with its south facing garden, makes this a retreat for all seasons. The chalet layout and the potential to develop the basement area makes this an ideal family or holiday home.

Agency fees are included in the price and payable by the vendor.
