Property Description

Beautiful 2-bedroom stone-built house with 2-bedroom pigeonier. The ground floor of the main house has been developed to a very high standard, with an impressive salon built into the bedrock. The upstairs area with its covered balcony offers a further 210m² of space to develop. The pigeonier has been finished to a similar high standard and is perfect for guests. A 10m x 3.5m pool is situated to the rear of the property, which includes over 2.3 hectares of land. About 10 minutes to the supermarket at Saint Antonin Noble Val and 75 minutes to Toulouse Blagnac airport. This property will suit someone wanting to put the finishing touches to their dream home and enjoy the wonderful views from the first floor balcony.
