Modernised villa with panoramic views

Property Description

Elevated position for this modernized villa with pool. The property sits prominently on the edge of town and commands amazing views and is not overlooked. It has been upgraded with some double glazing and central heating along with recent renovations of the bathrooms and kitchen. Spacious and light living spaces with patio doors onto the south facing terrace. Two of the bedrooms also have patio doors onto the terrace. The property flows well, and has separate night and day sections. It also has a large garage and basement studio (bedroom and shower room). The pool area has its own summer kitchen with dog proof area, and it sits on a flat plot of 3300m2 with its own olive grove. As you enter the property the driveway sweeps into a carport. Live the Southern France lifestyle!
