Property Description

NEW TO THE MARKET In the Songenaz area of Les Bossons, Terrain Herbus is a large, buildable plot on flat land with wonderful views.

With a potential footprint of approximately 240m², the plot could feasibly accommodate one large chalet or possibly 2 reasonably large ones, subject to multi-property planning constraints and division of land. Our opinion A great plot just a few minutes' drive from the centre of Chamonix. Great value for the build potential.

Agency fees Agency fees are included in the price and payable by the vendor.
