## Property Description

**NEW TO THE MARKET** A recently renovated contemporary chalet in the centre of Argentière, very close to the Grands Montets ski lift.

This welcoming chalet has 6 bedrooms each with ensuite bathroom and an open plan living and dining area with a south-facing terrace. The chalet also benefits from a hot-tub, sauna and boot room.

Our opinion: This lovely chalet would be suitable for a large family home or equally as a rental property. It is currently run as a rental business and is perfect for guests wanting close proximity to the renowned slopes of Grands Montets and the village shops and restaurants. The jacuzzi and sauna offer the perfect ending to a hard day on the slopes.

Agency fees Agency fees are included in the price and payable by the vendor.
