Property Description

This is a beautiful, stone, riverfront farmhouse tastefully renovated yet keeping many traditional authentic features. The property has a stylish country kitchen with a lovely open fireplace and staircase leading down to a large utility area and cellar. The property has a separate dining room leading from the kitchen. There is a huge 130m² livingroom again with a fabulous fireplace, double height ceilings and traditional beams. There are 6 bedrooms in this home with 3 bathrooms. Outside there is an integral garage with hot and cold water a beautifully authentic covered terrace for summer dining. There is a large heated swimming pool and pool house leading down to the Dordogne river. The property benefits from electric gates and an alarm.
