Property Description

A fabulous stone house built in 1950 in the heart of a thriving bastide town with 4 bedrooms, lounge, kitchen and bathroom on the ground floor and a separate apartment in the sous sol with 3 bedrooms.

Full central heating throughout, beautiful garden full of mature trees and shrubs. From the house the views are wonderful, over the surrounding countryside.

Outside is a large barn/workshop of 120m² which could be converted, plenty of place to park on the courtyard accessed via the electric gates.
