Property Description

L'Isle Adam. In one of the most sought after streets in the city center. Beautiful recent house of approximately 175 m² on two levels, built on a plot of 800 m².

On the ground floor, discover the living space on one side. With its 40 m², and its triple exposure which makes it so bright, the double living room extends onto the garden. But also on the kitchen. Independent, functional and spacious. On the other side of the entrance, there is a large bedroom, a shower room and a toilet. Upstairs, thanks to its star distribution, without loss of space, the landing room serves four bedrooms, a bathroom and separate toilets. Modular layout. Space and volumes.
