Property Description

Magnificent **Château** built in the 19th century, on 8 hectares, surrounded by buildings whose origins go back to the time of the Romans, which form a small hamlet, now turning towards eco tourism, several apartments have been renovated with materials of very high quality, very nice rental activity cottages, bed and breakfast and reception room. The **Château** is now used by the owners and can be rehabilitated into a beautiful charming hotel. Very many and large dependencies can be redeveloped again. The place is particularly calm, in protected zone, the lands are classified BIO

Well situated to the larger cities of Narbonne, **Béziers**, Carcassonne and further afield Perpignan and Montpellier: also close to Spain, Airports, Motorway links and Railways. Tourism is the second industry of the region and is becoming increasingly popular for its ancient history and marvellous climate. Phoenicians, Greeks, Romans and Cathars have all left their mark.
