Property Description

Unrivalled sea views with the Golden Islands in background, this 270 sq.m villa from the 60s was totally renovated in 2018, it offers an entrance opening onto a large lounge/hearth with a fully equipped open kitchen followed by a large covered terrace, a suite with dressing and bathroom, 2 bedrooms and shower room. The lower level welcomes a games room with shower room, a bedroom with shower room, a second with a bathroom and a third, a small linen room and a large cellar. A spacious tiled beach surrounds the infinity 9m x 5m pool and a large garage of 40 sq.m also occupies the lower level of the house with indoor access, the set rests on an enclosed and landscaped land of 1,250 sq.m.
