Property Description

In a commanding position, this unusual property of character of 6.7 acres nestled in a pastoral setting was completely restored with particular refinement and attention 12 years ago.

An olive grove weaves a link between the country house and the superb 14m x 6m pool with its beach, its pool house equipped with a summer kitchen and a shower room, a large garage that can welcome 3 vehicles and an artist's workroom, the terraces run around the 220m² lovely house enjoying each of their privacy, shadow for some, sun for others.

The wine cellar sits in the lower part of the tower, a large entrance hall overlooked by a mezzanine opens onto the eat-in kitchen integrated into the tower and on a living room followed by an office, a second living room leads to a large bedroom and a bathroom.

2 other suites occupy the 2nd and 3rd levels of the tower.

The vines in production run on the side of the neighbouring hill.
