Property Description

Medieval house with character features in Normandy

Walking into this house is like stepping back in time but with modern day comforts. There is a small but charming interior courtyard which gives access to a separate lounge and two bedrooms and bathroom - ideal for someone wishing to do Air B&B. There are plenty of exposed beams, wood panelling and exposed stone walls and the layout is versatile and a bit quirky! Ideal lock and leave holiday home or full time home within a short walk of all amenities. Viewing is highly recommended.

The property is situated in the north west of France, in the department of Orne in Normandy. The property is in a quiet residential position on the outskirts of the medieval market town of Domfront with shops, schools and all amenities. Also nearby, you will find Lassay -les-Chateaux (13km), with its picturesque castle and lake. Bagnoles de l'Orne, about 22km away, is a spa resort set around a lake with a casino, many restaurants and shops. La-Ferté-Macé (15km away) is a pretty town with a large Leclerc supermarket. The town has a leisure lake with a swimming beach, a climbing wall and a par-three golf course. The larger town of Mayenne is 27 km away. The UNESCO heritage site of Mont Saint Michel is 80km and the D-Day landing beaches are 112km.
