Property Description

Luxurious 4-bedroom stone-built house with 1-bedroom gite in a hilltop location. Outstanding views over the surrounding countryside - a truly peaceful spot! The interior is perfectly designed for entertaining, with large salon and hot tub terrace, high ceiling kitchen and beautiful conservatory with access to the pool deck. Regardless of the weather, there is always a perfect place to sit and enjoy the scenery. Equipped with 8 garage bays and no neighbours within sight, this will suit a car enthusiast perfectly. Located close to the beautiful medieval villages of the region, this makes the ideal all-year home or holiday residence with rental potential. The ground floor could also be separated as an apartment for additional rental income.
