Property Description

Historic property full of charm and possibilities dating from around XVII century with two separate entrances on two streets (one overlooking the river and the old bridge and the other opening out to a little road) encompassing 450 m² of living space plus garage, workshop, vaulted cellar. Entrance on the river side: dining room, living room, kitchen, two shower rooms plus toilets, 4 large bedrooms/lounges and a mezzanine. Through the patio or entrance from the other street: garage, workshop, laundry room, boiler room, WC and cellar on the ground floor, two bedrooms and bathroom on the first floor, a lounge plus kitchen, a huge studio with bedroom. This is a house that has known spirituality and retains a feeling of peace and a spirit of love. It craves such attention again to come back to life - it would suit a large family or could be divided in two to offer separate accommodation, as well as a guest room or seminar/meditation centre situated at 7 km from the motorway, 30 km from the TGV and 70 km from the airport with all amenities at walking distance
