Property Description

This 3 bedroom property has a large garden with a vegetable plot.

The front entrance takes you directly in to the open plan kitchen, diner and seating area. There is a downstairs shower room with a further room with doors leading to the garden, to the rear of the property, that is currently set up as an eating area (it could be used as a bedroom).

Situated on a main road, close to a pretty village, the property has good access to towns and shops.

Originally the property was one house and has been divided in to 2.
