Property Description

Lovely 2 room apartment in a stone and wood chalet located in the centre of the village and ski in ski out. Its spacious and bright kitchen living room benefits from a beautiful south-west facing balcony offering a beautiful open view.

The bedroom is large and has a private dressing room. The apartment has a ski locker and a closed garage in the basement. Le M offers excellent services in a privileged location for a holiday in complete serenity.

La Plagne Montalbert, one of the village resort of La Plagne, is very aptly qualified as convivial. The decor is fabulous : views of Mont Blanc, snow-covered fir trees?

It is a village at medium altitude, the architecture is in traditional mountain-style with low buildings made of wood and stone and gable roofs. Most of the shops and services are grouped together in the shopping street at the bottom of the slopes. The village centre is car-free.

La Plagne is known for its huge ski area. Hundreds of kilometres of runs, through forests, sinkholes and glaciers? In Paradiski, with its 425 km of runs, 70% of them above 2000 m, the possibilities are infinite.
