Property Description

Walking distance to Cordes-sur-Ciel with its shops, bars and restaurants but with total privacy and space around (2 hectares of land), this four bedroomed, 3 bathroom property with salt-water, heated pool has an uninterrupted view on the city with long-reaching views on the surrounding countryside and no close neighbours. Ideal for a holiday home, the property has been renovated with attention to detail and preserving original features whilst adding comfort with the oil-fired central heating, double-glazing, wood-burner, fully-fitted kitchen. Let's not forget the heated salt water pool (10 X 5) and garage. All in all, this is a property which won't hang around long on the market.
