Property Description

This beautiful 4-bedroom stone-built house has been renovated to a high standard throughout, with large room proportions. You simply need to add your furniture.

The separate garage provides ample workshop space and is currently used as a gallery. The garden with its swimming pool is tastefully planted and leads down to the small river.

Accessed by a country track, bucolic bliss abounds with no neighbours in sight!

Just 3km to the village with its shops and restaurants. This is the ideal family home for anyone that appreciates their privacy. It would also be great for generating summer rental income.
