Property Description

A deceptively spacious 5 bedroom, 4 bathroom detached Charentaise house with potential to divide into 2 separate dwellings. Comes with a covered in ground swimming pool and a number of outbuildings. All set in over 11.3 Hectares of rolling countryside and woodland. It could be ideal for those with equestrian interests.

Situated in a hamlet of a handful of houses, yet only a short drive from the bustling town of Barbezieux-St-Hilaire with it's range of shops, bars and restaurants.

Definitely worth a visit!!!
