Located between Trie sur Baïse and Castelanu Magnoac , in the heart of a small village of about 200 inhabitants, this nice plot measures 5800 m² and has views of the Pyrenees and the countryside. It's ideal for the construction of your future home, sunny all day and quietly situated without being...

Property Description

Located between Trie sur Baise and Castelanu Magnoac , in the heart of a small village of about 200 inhabitants, this nice plot measures 5800 m² and has views of the Pyrenees and the countryside. It's ideal for the construction of your future home, sunny all day and quietly situated without being isolated and yet near all conveniences.

Planning permission has been granted and mains are nearby to be connected.

Situated in the countryside, with magnificent views of the Pyrenees and the hillsides, this nice plot of land is perfect for our future construction. It has a private entrance, with no easement or disturbance. Networks (water, electricity and phone) are available near the plot. Drainage will need to be individual.

Ideally located 5 km from all conveniences (primary and secondary schools, shops, doctor's); an hour from ski slopes; 2 hr from beaches; 1 hr 40 min from Toulouse. Your house his waiting to be built here!
