Property Description

#Properties like this don't come up very often...it's all about the lake and enjoying the wildlife and tranquillity it brings. At the end of a country lane with just one neighbour, a beautiful character farmhouse with an attached old mill with some old workings on show, a barn, woodland, orchard and a 4 hectare lake, fed by a river. The farmhouse has a large kitchen/diner, lounge, large bedroom with WC and bathroom. The mill consists of a large living room, kitchenette, bedroom and bathroom. Outside a large barn with workshop and a covered car area. There is the scope to add further bedrooms if required, and the mill could be rented out or used as separate accommodation.
