Property Description

Aups, 4km from the center of the village, in the heart of nature, on a plot of 12Ha in an agricultural area, this superb bastide from 1760 awaits you to continue its history... With a nice view of the hills, the land is made up of meadows with a few donkeys, beautiful olive trees and large Provençal terraces... With more than 700m²sqm of buildings, this property currently offers 3 habitable apartments, an apartment to be finished and many volumes to develop according to your imagination and your desires. Added to this are annexes of the sheepfold, workshop, etc. Superb projects can be accommodated in this magical place between the tranquility of nature and the love of old stone...
