French Entrée 

Property Description

Former Champagne cork factory transformed into a unique home with courtyard garden close to the center of Cannes, at just 7 minutes walk to the beach in a residential and very quiet area. Entrance into the sumptuous "feel good" living space with a mezzanine and an open kitchen and fireplace. Large french doors opening onto the patio. 3 ensuite bedrooms and a studio (with also separate entrance if required). Ideal as a guest house or for a gardiencouple. 3 private parking spaces of which one secured. A fantastic in 2015 fully restored ground floor villa apartment in a very special setting. Lots of charme!
