Property Description

This beautiful Bastide of about 200 m² is situated on a large wooded plot of land (zone N) of 1 ha and enjoys a south facing view of the countryside. A natural, quiet and peaceful environment and only 5 km from the village of Lorgues.

The Bastide built in the 70's needs to be renovated (sanitary, septic tank, single glazing), but the Bastide has a lot of potential. Large, bright rooms, including an office (ideal for teleworking!) and a living room with a fireplace and French windows opening onto a beautiful terrace and overlooking the large 11 x 5 m pool. On the first floor there are 5 bedrooms. An attached garage completes the property.

You are only 5 km from the shops (bakery, restaurants, doctor, school, high school) of the picturesque and lively village of Lorgues.

The Côte d'Azur and the beaches are less than an hour away and the Gorges de Verdon are less than 30 minutes away.
