Fabulous 1640 m2 building plot located in the center of the village of Cabrieres-d'Avignon within walking distance of the boulangerie, grocer's and butcher's. An existing structure of approximately 98m2 with a lean to carport could be converted into the primary dwelling or retained as an outbuilding. A set of electric gates have already been installed and the land is fenced and walled. There is small pond on the land and a handful of cherry, apricot, cypress, cedar, mulberry and olive trees, and a pergola with climbing wisteria. The land has exciting potential. A new building tailored to your exact needs could be installed. The existing building could be converted and inhabited. A swimming pool could be installed... All in the heart of this ever-desirable Luberon village.
