Property Description

This large south facing country farmhouse, has been a well loved family home for many years, as well as a successful rental property. Within its 350m² there are 6 bedrooms to chose from across 3 floors and 3 bathrooms. (One of the bedrooms and a bathroom is on the ground floor, with 4 others on the first floor). The welcoming kitchen has a large open fireplace, and leads on to a dining area and the ground floor living room. There is a further living room on the first floor, with a mezzanine office space. The living room gives access to the second floor with another living space/exercise room, with the 6th bedroom and third bathroom. There are several mezzanine areas the children will love to explore. Outside there is a large covered parking area separating the house from a second building to the left of the main house which has a workshop and bread oven on the ground floor with a large art studio space plus mezzanine above. To the right of the house is a large two storey outbuilding providing a further 150m² to renovate plus a detached garage. The house sits in the centre of its plot which includes a 10m x 4m swimming pool, terrace, garden, grassland/paddock, allotment and some woodland. The land is 15947 m².
