Property Description

Unique in Collioure. Located in the heart of town within walking distance from all the amenities and the beach, exceptional stone-built property dating from the 19th century brimming with a huge charm in a magnificent tropical park of more than 3000m² created in 1906 by the famous botanist Charles Naudin with a famous bamboo grove and stunning century-old varieties of palm trees. This property is also renowned for having welcomed Henri Matisse who lived and painted famous paintings. The property is to be renovated. It features more than 450m² total living space and offers various possibilities like becoming an elegant family spacious home with outbuildings, or a gîtes business, or a fantastic luxury hôtel.
