Property Description

Substantial property built on 54900m² of land featuring a large fully restored villa with garden and pool, a large stone barn, greenhouses and land.

The villa made with a foot print of 75m² with high ceilings and potential to add a floor.

The land features 3500m² of greenhouses, 1500m² of tunnel greenhouses, 6000m² of almond orchard and the remaining land in grassland. This substantial property is ideal for an agricultural farming project or a horse riding school.
