Property Description

Located in Meyronne, a charming village on the banks of the Dordogne, halfway between Souillac and Rocamadour, this land offers a view of the famous surrounding cliffs and the countryside. This flat land is serviced and benefits from mains drainage. The proximity of the listed church will subject the construction to the ABF. This plot does not support any opposite. The school, a nursing home and the shops are located less than 5 minutes from the location of the land.
