It is situated in a small town of Gusicriff and is only 20 minutes away from the town of La Faouet. The south coast is only a 40 minutes driveaway. The property consists of a lounge with a wood burner and a large kitchen diner with a wood burning stove, from the kitchen this leads to a rear porch, downstairs bathroom with a W.C., a second lounge with a large stone fire place with a wood burning fire and a large utility area. There are two stair cases that have accesses to the first floor, the first stair way is from the kitchen and you have 2 bedrooms plus a family bathroom with a W.C. The second stairway is from the second lounge and here you have a large bedroom with a mezzanine area. This property could easily be divided into two properties if you wanted to rent part as a gite or have family members stay. Outside there is an area for you to have your SPA, a beautiful graveled area for dinning and a number of areas to sit and relax. The gardens are beautifully landscaped and there is a parking to the front where you can park 4 cars. There are three sheds, a Polytunnel, an apple orchard and the property is enclosed to the rear. The property is on a fosse system, the windows and part of the roof still has 2 years warranty left. This property would make a great home especially if you would like to run a business such as a gite or bed and breakfast. The owner also informs me it has a good WIFI connection. Do not miss out on this wonderful property!
