Property Description

Square meters! Square meters! Square meters! As if it was raining, more than 4000! The view! The view! The view! Unbelievable and far away on the Dordogne Valley! At the top of a small village so authentic that it could be part of the most beautiful villages of France one day (already a small city of character). Two buildings full of history, a cube and a parallelepiped, which can be adapted to any hotel project. Tourist, artisanal or industrial. Stones, many stones, oaks and chestnut trees...sion)
