Set in a particularly peaceful part of Saint Antoine, a desirable location above the town of L'Isle-sur-la-Sorgue, this spacious property offers beautiful interior volumes encompassed by gorgeous grounds. The accommodation comprises, on the ground floor: large sitting room lined with French windows and fitted with a stone fireplace; adjoining TV room; spacious kitchen with dining table; 'garden room' with oversized wrought-iron windows; double bedroom suite with a shower room, loo and access to a private terrace; further double bedroom with shower; guest loo; particularly spacious home office; utility room; small larder. The interior is embellished by traditional Provencal ceilings, exposed beams, and terracotta flooring. Large French windows complement the elegant decor and flood the interior with natural light. The first floor is composed of: impressively proportioned master bedroom with a bathroom and loo en suite; further double bedroom; guest shower room; guest loo. Pretty views of the garden and the surrounding countryside can be enjoyed throughout. The house lies centred on its acre of serene park-like grounds, hidden behind wrought-iron gates and a cypress-lined drive. French windows from the kitchen and sitting room open directly onto a large south-facing dining terrace, shaded by a pergola grown with wisteria. Just beyond this terrace lies the 11m x 5m swimming pool. Hedged to provide privacy from the house, the pool is adorned by a paved surround, a covered terrace, and an outbuilding housing the swimming pool pump and storage for garden tools. Water from a private borehole feeds the garden and the property's small pond. Additional features include: double glazing throughout; reversible air-conditioning in the kitchen; large carport; water softener. The property is hedged, fenced and secured by automatic gates. This beautiful and well-located property benefits from an idyllic setting, yet only a very short drive from the sought-after market town of L'Isle-sur-la-Sorgue.
