Property Description

We are delighted to offer this pretty stone property, oozing with quirky charm and character and offering simply spectacular views across the Dordogne valley. Currently a well loved holiday home, but would stand equally as a full time residence, coming equipped with an excellent gas central heating system plus 2 glorious open fireplaces dating back some several hundred years! Steeped in character throughout, with ancient polished terracotta tiled floors, beamed ceilings, stone walls and beautiful features, cool in summer, cosy in winter! Internally offering a spacious salon, separate dining salon, dining kitchen, 4 bedrooms, 2 bathrooms, a mezzanine, utility and a boiler room. A modern recent pool with spacious terracing and a dining area with shade is surrounded by well managed mature gardens offering glorious views. With secure gates and a driveway to the rear for safe parking and further parking to the front. This property is attached, but offers absolute privacy, peace and quiet.
