Property Description

Located on the edge of Cavaillon, just 15 minutes from the sought-after market town of L'Isle-sur-la-Sorgue, lies this superbly authentic Provencal farmhouse. Set on a plot of 1.36-acre plot, this 19th century property offers over 240 m² of living space that seamlessly combines modern comfort and traditional charm. The ground floor accommodates a large living space complete with a fireplace, a dining room and a fully equipped bespoke walnut kitchen. This beautifully proportioned living room is adorned with large arched French windows, bringing light and volume to this space. The ground floor also comprises: double bedroom suite with an adjoining shower room; rear kitchen; guest loo; technical room. A lovely traditional Provencal staircase, complete with a wrought iron balustrade, leads up to the first floor. The large landing area, converted into an office space, grants access to two spacious double bedrooms. An impressively sized fourth bedroom (46 m²), a bathroom and a separate loo complete the first floor. All these first floor bedrooms are air-conditioned. An adjoining 38 m² garage currently accommodates a shower room and a toilet and could be converted to provide additional accommodation, independent from the main house. Large wrought-iron gates welcome you into the private grounds, that consist of a garden with orchards and a vegetable patch. At the entrance of the house, a spacious shaded terrace offers a particularly pleasant and well thought-out space to entertain family and friends. A fenced and tiled swimming pool (11m x 5m) with pool-house and barbecue area complete the verdant garden. Amenities include: automatic watering system; borehole; double glazing; pellet boiler supplying the underfloor heating on the ground floor and cast iron radiators upstairs; reversible air conditioning in each bedroom; ethernet sockets throughout; and parking. Close to all amenities, this farmhouse would serve as a particularly comfortable family home with great potential as a seasonal rental. The property benefits from quick access to the TGV station, the A7 motorway and the Marseille airport.
