Property Description

This traditional stone village house has 2 large bedrooms on the first floor, then on the ground floor there is a bathroom with separate WC, a living room with wood burning stove leading into a dining room with direct access to the garden. The kitchen is also on the rear of the house with a doorway leading to a terrace and garden area. There are exposed beams, and original windows. The house has been well maintained but needs some modernisation to become a permanent home rather than just a holiday home. This property comes with a bonus of three separate parcels of land, 2 of which are wooded, offering the potential supply of free firewood! This property is within walking distance of a good range of amenities including a shop, bar/restaurant, chemist, and doctors surgery.
