Property Description

This house is really a jewel and right in the middle of the golden triangle. The medieval town - Sarlat-la-Caneda is a mere 10 minutes drive away.

The house is extremely spacious with plenty of voluminous rooms and outside areas. It is ideally situated on the banks of the river Dordogne with a view of 4 chateaux.

Currently a holiday letting business it has a very interesting return on investment and could continue to provide income and a family home.

The house has many original features, it is very light and airy and 5 of the 7 bedrooms are en suite.

Outside there is a large (11 x 5.5) heated swimming pool with electrolyseur system, a boules pitch, children's play area, parking and garden with established planting. There are terraces to every side so the sun or the shade are always accessible.
